2DIN KIT PEUG-FIAT-CITR_53.174

?????????

2-DIN facia plate Citroen / Fiat / Peugeot / Toyota

Many car manufacturers install car specific head units to match the optic of the dashboard.

For this reason, you will need one of our facia plates to professionally fit a DIN or Double DIN aftermarket radio into your car.

You probably also need car specific harnesses, antenna adapters, SWC interfaces, camera interfaces or active system adapters.

Note:

for use with 2-DIN retrofit HU accessory frame
for use with 2-DIN radio facia plate universal > item: 381320-00

Vehicle application:
