1-DIN facia plate

Many car manufacturers install car specific head units to match the optic of the dashboard.
For this reason, you will need one of our facia plates to professionally fit a DIN or Double DIN aftermarket radio into your car.
You probably also need car specific harnesses, antenna adapters, SWC interfaces, camera interfaces or active system adapters.

Note:
For Mitsubishi Colt 11/2008 > (facelift model) another facia part-no.: 281200-05 is required.
