Specifications

Bluetoo

Bluetooth®Obey local driving laws with built-in Bluetooth (HFP). Hands-free calling, wireless audio streaming (A2DP) with artist, album, and song search, simple pairing, and control audio (AVRCP), Bluetooth® wireless technology has made life in the vehicle safer and more convenient.

6.8"
CAPACITIVE
TOUCHSCREEN

6.8" Capacitive TouchscreenA fully flat touchscreen that allows for fast and responsive multi-touch gestures like pinch to zoom, plus swipe and scroll controls at your fingertips, in very high detail.

MeachfreeThis product is designed for modern digital music formats.

Made for iPod / iPhoneDirectly control your iPod / iPhone, for charging, music and video via an optional interface cable (sold separately), depending on your iOS device. Song, artist, time and album information are beautifully displayed on the touchscreen.

Compatible with AndroidConnect and listen to music stored on your device without the need for an app

USB InputConnect any device with an USB interface cable to charge your device or listen to clean, clear sound.

SpotifyWith Spotify, just connect your smartphone to comfortably browse your favourite playlists, albums, tracks and artists using your headunit controls.

WazeWaze is a social GPS driving/navigation app that offers map, real-time traffic, and various other information for you to access on the large display of Pioneer compatible multimedia devices .

FLACEnjoy FLAC lossless digital audio files in your vehicle with playback output at CD quality, without the need to convert.

13-band Graphical EQAdjust your audio output in detail for a music experience tailored to your preferences.

Siri Eyes Freemake use of your iPhone's Siri functionality through your unit's external microphone and the speakers of your vehicle

Multi colour illuminationMatch the display and key illumination to your vehicle's interior lighting with a range of endless colour combinations.
